# 9<sup>th</sup> July 2023

Hi to all members,

Tomorrow, Monday the 10<sup>th</sup> July 2023 is the 1<sup>st</sup> day of Term 3 of the Victorian Education Department and the beginning of Term 3 for us also.

Trusting many of us enjoyed the 2-week break and for those that supported the monthly activities that fell within that time frame and did not take the opportunity of a break, we also say welcome to term 3.

We are now approaching the coldest months of the year. Many of us will not want to leave the warmth and comfort of our homes to attend sessions that we have supported previously, that is ok, bearing in mind that the venues we use are atmospherically controlled, via heating and cooling all year around. Our team leaders are aware of these issues and we all hope that everyone will continue supporting their groups of choice if not now but in the coming warmer weather.

Our Garden group had a very enjoyable outing at Rosa's place, unfortunately it rained and we were not able to take advantage of walking through her amazing cottage garden. However, the view from her windows were absolutely stunning. Lunch was very delicious with soup, Bread, Sandwiches, Sausage rolls and Mazie's special sticky date pudding, which was very yum. Must say that conversations over lunch were very stimulating and perhaps surpassed the matter of not being able to walk through the garden.

Our next committee meeting will be on Wednesday 12<sup>th</sup> July 2023 at Darley Neighbourhood House, Anna Curry building starting at 9.30am.
